

MPES 2020 MANUSCRIPT PREPARATION INSTRUCTIONS

1. MANUSCRIPT PREPARATION AND SUBMISSION

- a. The manuscript can be prepared in Word or LaTeX (other styles supported by Springer – see Springer website for more details springer.com.) The manuscript files will be converted to XML and re-formatted according to the Springer branded style.
- b. The manuscript must be prepared according to the Springer guidelines which can be accessed on the MPES 2020 website or at [the Key Style Points on springer.com](#). For more detailed information, you can also visit [Book Manuscript Guidelines on springer.com](#).
- c. All authors (corresponding authors, co-authors, contributing authors) should include their affiliation and email address in their manuscript. Their email addresses (also published in the chapters) will be used by Springer to provide authors with a personal [MySpringer account](#) where the authors will be able to download a free copy of the eBook for a limited time.
- d. Provide an **abstract for each manuscript** to facilitate online searching, using e.g. Google. Abstracts will appear online at SpringerLink.com with unrestricted access and enable unregistered users to read the abstract as a teaser for the complete chapter.
- e. All illustrations will be available in full color in the eBook but may be black and white in the printed book. If colour is essential for individual figures in the printed version, please list the corresponding figures in a separate spreadsheet (submit additional document listing figures which must be printed in color in the printed version of the Proceedings).
- f. **The manuscript should not exceed 6 pages** (including figures and references)
- g. For further information please visit the [Author & Reviewer Tutorials](#) and find more valuable tips on Springer [information pages](#).

2. CONSENT TO PUBLISH

- a. Each manuscript must be accompanied by the **“Consent to Publish”** form available for download on the MPES 2020 website.
- b. Without the Consent Form, the manuscript cannot be included in the publication.
- c. Each corresponding author should print the form, enter the title of the chapter as well as the names of the authors at the top of the form and sign it. Important: Details of the chapter authors (sequence, names, name and

affiliation of corresponding author) given in the CTP should be complete, final and correspond to the details given in the manuscript. As this is a legal document, we cannot accept changes at a later stage and ask for your understanding in this matter.

3. PERMISSION REQUEST FORM

- a. If excerpts from copyrighted works (including websites) such as illustrations, tables, animations, or text quotations are included in your manuscript, please obtain permission from the copyright holder (usually the original publisher) for both the print and online format.
- b. Please submit the **“Permission Request Form”** with your Manuscript available for download on the MPES 2020 website or refer to the [Rights Link](#) on the Springer website.
